

Education Facilities by Functionality

Aweil Centre County, Northern Bahar El Ghazal State

March, 2020

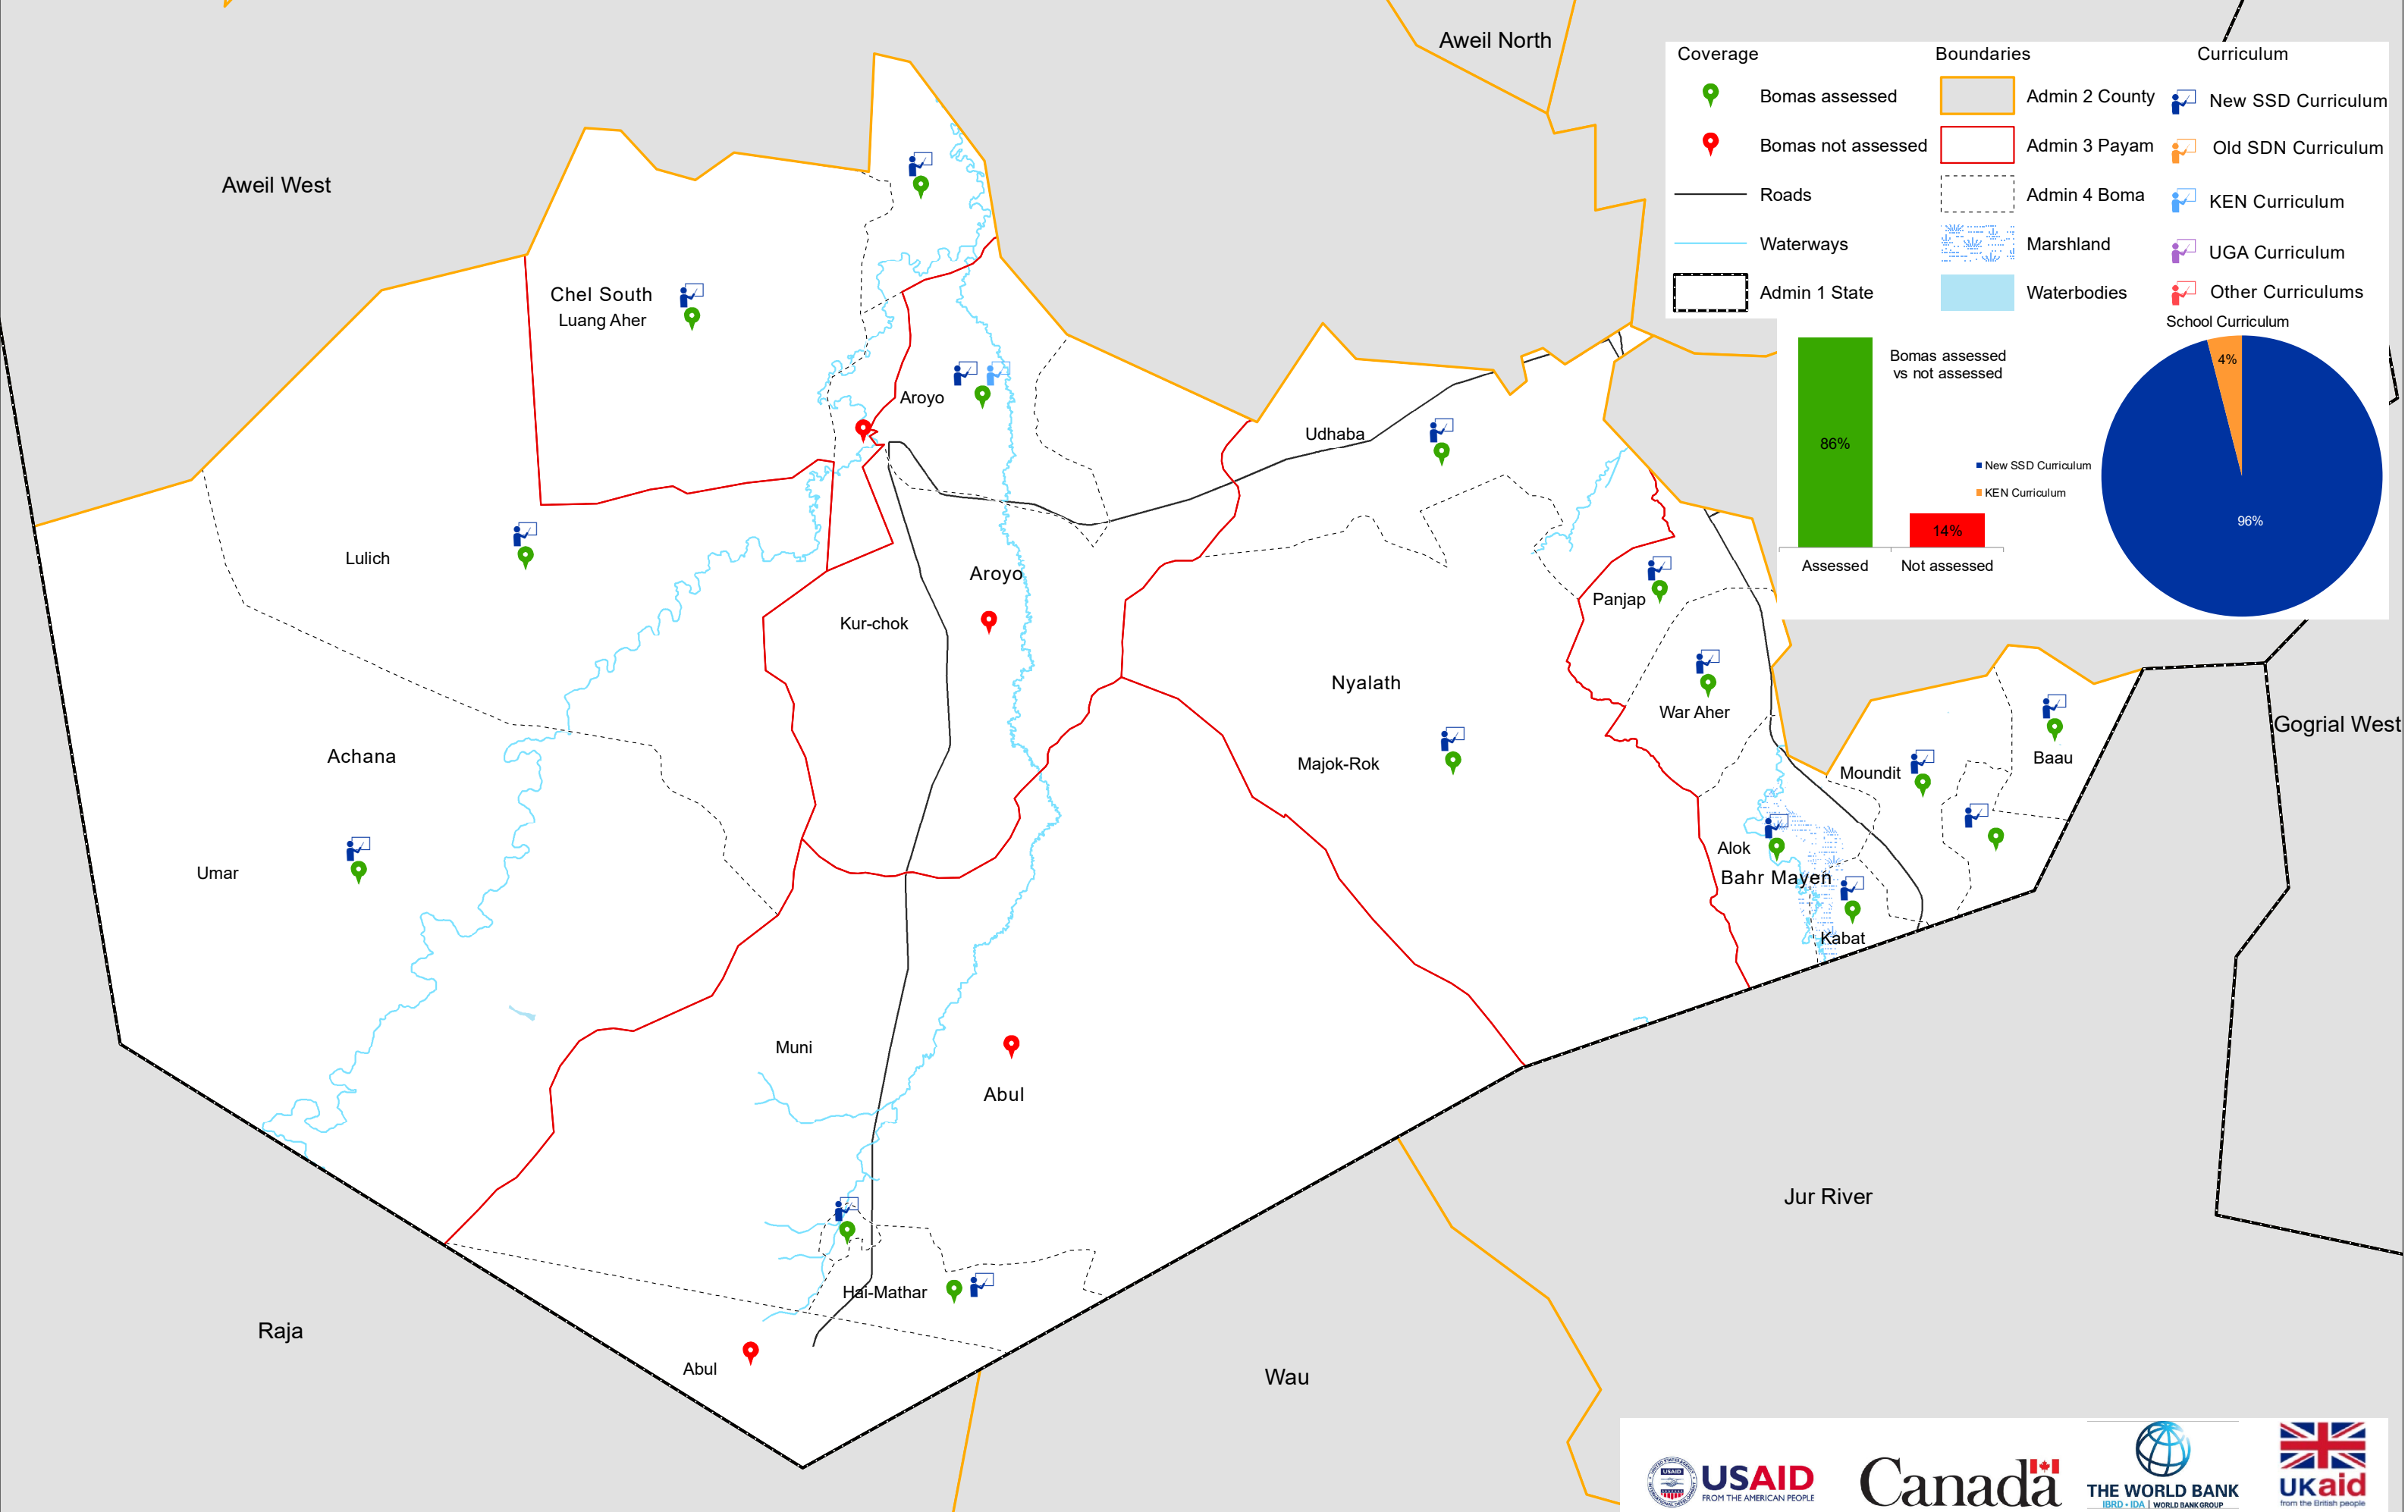

Notes:
Functional schools are defined as facilities where learning and teaching activities were taking place at the time of the assessment. Safe and secure learning environment is a key feature of functional facilities.
Non-functional schools refer to facilities that were not operating at the time of the assessment. In schools where the technical questionnaire was filled, insecurity was cited as the main reason behind schools being non-operational/non-functional.
