**Situation Analysis**

**Context**
Wau PoC area adjacent to UNMISS was established in June 2016, following violence in and around Wau town, making it the most recently established POC in South Sudan. It is also the most congested POC in the country, with registered population of 39,165 IDPs sheltering on just 200,000 m² of land.

**Current priority needs**
1. Relocation of IDPs into new extension site
2. Registration of new arrivals
3. Installation of perimeter lights
