## SERVICES

### SHELTER

- % families living outside (no shelter): None
- % families living in emergency shelter: None
- % families living in makeshift shelter: None
- % families living indoors (solid walls): >75%

### HEALTH

- Location of health facilities/services: On-site (<3 km)
- Health facilities/services provider: Government
- % families living in emergency shelter: None
- % families living in makeshift shelter: None
- % families living indoors (solid walls): >75%

### WASH

- Location of site's main water source: On-site (<10 mn)
- Liters of water per person per day: 10 - 15 ltr
- Main problems with drinking water: None
- Total number functioning toilets: 3
- Separate male/female toilets: No
- Separate male/female bathing areas: No

### FOOD

- Access to food: Yes, on site
- Access to market: Yes
- Most common source for obtaining food: Cash
- Frequency of food distribution: Irregular
- Supplementary feeding for pregnant/lactant mothers: No
- Supplementary feeding for children: No

### PROTECTION

- Security provided on-site: No
- Main security provider: None
- Most common type of security incident: None
- Most common type of GBV incident: None

### EDUCATION

- Location of nearest education facility: Off-site
- % children going to school: <75%

### LIVELIHOOD

- Number of families with source of income: 4
- Access to income generating activities: Yes

## COMMUNICATION

- Main source for obtaining information: Local leader/Community leader
- Main topic of information requested: Distribution
