All data reported in the Event Tracker is considered as reported and is validated in all final reports published by Flow Monitoring and Mobility Tracking.
SEBH

Fighting broke out on Thursday May 4th between Awlad Suleiman and Al Mahamid tribes in the muhalla of Manshiya in Sebha, at Street 40 and Camp 80. Heavy weaponry and artillery are reported to have hit urban areas. Shelling affected Al Kurda buildings.

Wounded individuals of al Mahamid tribe were reported as unable to access the 2 March hospital. 20 deaths and many more injuries have been reported. Approximately 100 households were displaced to El Kahira muhalla.

Approximately 500 migrants from Nigeria, Niger and Ghana were also displaced due to the clashes. 3 migrants were reported killed (2 from Nigeria, 1 from Niger).

Access remains limited. Conflict de-escalation has been reported since the 6th May 2017 with 30 households having returned to their homes.

Priority IDP needs reported were shelter, NFIs, food, and security.

SEBHA - ASHSHWAYRIF

Armed groups are reported as present on the road between Sebha and Ashshwayrif intercepting migrants travelling to the West. Migrants are reported as remaining in Sebha.

BENGHAZI

Heavy fighting was reported between the LNA and the Benghazi Shura Council on Monday 8 May, from Souq al Hout to Al Sabri areas. There were reported air strikes followed by ground battle.

Two injuries were reported in Al Salmani due to a shelling. To date, no displacement has been reported as the area is a closed off military zone.

AL AJAYLAT

On Thursday (04/05) conflict in Al Ajaylat was reported, resulting in the displacement of an unspecified number households to neighbouring muhallas within the same baladiya. The conflict has reportedly ended.
