Belle

Location SSID: ssid_SS0101_0002
Postcode: SS0101
Accessibility: Accessible by car
Community Leader: Yes
Registration: No
Who is being registered: NA

No. IDPs: 0
Households: 0
Reason for displacement: NA
Origin of largest IDP group: NA, NA
Origin of 2nd largest IDP group: NA, NA

No. returnees: 160
Households: 100
Reason for displacement: Conflict

IDPs
Returnees (internal)
Returnees (abroad)

Mobility (IDPs)
Date of arrival of first IDP group: NA
Date of arrival of last IDP group: NA
Have the IDPs been displaced previously? No
Three main reasons preventing the majority of IDPs from returning:
Lack of food, House damaged/destroyed, No livelihood

Mobility (returnees)
Date of return of first returnee group: 2018-05-20
Date of return of last returnee group: 2019-02-11
Are there people displaced from this village / neighbourhood who have not returned yet? Yes

Special needs
No. pregnant women: 1
No. breastfeeding mothers: 0
Total number of individuals with special needs: 12
Special needs include pregnant and breastfeeding women, separated, orphaned and unaccompanied children, persons with mental or physical disabilities, persons with chronic diseases or serious medical conditions and old people without caregivers.

Protection
Main security provider in the village / neighbourhood: NA

Health
Most common concern: Diarrhea
Main provider: NA

Education
Type of facility: NA
Availability of learning supplies: NA
Availability of teachers: NA
### Shelter / NFIs

**Main shelter type:** Tukul  
**Shelter materials available in nature:** Poles, Bamboo, Grass  
**Shelter mat. available from local market:** None  
**Three most needed NFIs:** Kitchen sets, Bedding sets, Hygiene kits  

### Food

**Groups struggling most with food access:** Returnees, Host community  
**Main source of food:** Food assistance  
**Reason for lack of market access:** Due to Conflict  

### WASH

**Connections to functioning pipelines:** No  
**Main water purification method:** Boiling  
**Main water source for cooking / washing:** Hand Pumps  
**Main water source for drinking:** Hand Pumps  
**No. functioning boreholes:** 1  
**Non-functioning:** 0  
**Complaints about drinking water quality:** No  
**Main problem with water:** NA  
**Type of toilet:** Open defecation  
**Main garbage disposal method:** Burning  
**No. garbage disposal points:** 0  
**Is solid waste a problem?** Yes  

### Security provided at location

**Common conflict-related incidents:** No  
**Areas avoided by women / girls:** Yes
