### NEEDS

| First most urgent need: | Food  
| Second most urgent need: | Tapauline  
| Third most urgent need: | Kitchen utensils

### VULNERABILITIES

| Number of pregnant women: | 135  
| Number of breastfeeding mothers: | 154  
| Number of persons with physical disabilities: | 8  
| Number of persons with mental disabilities: | 0  

### SHELTER

| Percentage of households living outside: | 50%  
| Percentage of households living in tents: | 0%  
| Percentage of households living in permanent shelters: | 0%  
| Top one NFI need not accessible to IDPs: | Cooking items (pots/pans)  
| Top two NFI need not accessible to IDPs: | Items for sleeping (mats, blankets,..)  
| Top three NFI need not accessible to IDPs: | Soap/detergent for washing clothes

### FOOD

| Percentage of Households who had less than 3 meals per day in the past week: | 25%  
| How people get access to the market? | Walking  
| Can people buy what they need at the market? | Not most people  
| Reason why most people cannot buy what they need at the market: | Do not have enough money/Prices are too high

### WASH

| Main source of drinking water: | Tube well/Borehole  
| Percentage of IDPs who have enough drinking water: | 50%  
| Percentage of IDPs who have access to functioning bathing/shower facilities: | 25%  
| Percentage of IDPs living in areas where open defecation is visible: | 25%  
| Percentage of IDPs living in areas where garbage is visible: | 0%  
| Primary type of sanitation facilities: | Pit latrine with slab

### HEALTH

| Distance from the nearest health facility: | Up to 30 minutes  
| Main reason preventing IDPs from accessing healthcare services: | Nothing is preventing people  
| Female healthcare workers available at the health facility: | Yes

### PROTECTION

| Is there security provided? | Yes  
| Is there a threat of eviction? | No  
| Is there adequate lighting in the majority of communal points? | 0%

---

**Third most urgent need:**

- Cooking items (pots/pans)
- Items for sleeping (mats, blankets,..)
- Soap/detergent for washing clothes

- Percentage of IDPs living in areas where open defecation is visible: 25%
- Percentage of households living in permanent shelters: 0%
- Primary type of sanitation facilities: Pit latrine with slab

- Percentage of IDPs who have access to functioning bathing/shower facilities: 25%
- Percentage of IDPs who have enough drinking water: 50%
- Main source of drinking water: Tube well/Borehole

- Distance from the nearest health facility: Up to 30 minutes
- Main reason preventing IDPs from accessing healthcare services: Nothing is preventing people
- Female healthcare workers available at the health facility: Yes

- Is there security provided? Yes
- Is there a threat of eviction? No
- Is there adequate lighting in the majority of communal points? 0%

### Needs

#### First most urgent need:
- Food

#### Second most urgent need:
- Sleeping mats and blankets

#### Third most urgent need:
- Cooking utensils

### Vulnerabilities

| Number of pregnant women: | 6 |
| Number of breastfeeding mothers: | 26 |
| Number of persons with physical disabilities: | 4 |
| Number of persons with mental disabilities: | 1 |

### Shelter

- Percentage of households living outside: 25%
- Percentage of households living in tents: 0%
- Percentage of households living in permanent shelters: 75%

### Food

- Percentage of households who had less than 3 meals per day in the past week: 0%
- How people get access to the market: Walking
- Can people buy what they need at the market: Not most people
- Reason why most people cannot buy what they need at the market: Do not have enough money/Prices are too high

### Education

- Percentage of IDP children (3-5 years old) attending school: 0%
- Percentage of IDP children (6-12 years old) attending school: 100%
- Percentage of IDP children (13-17 years old) attending school: 75%

### Return

- What is preventing the largest IDP group from returning home: House damaged/destroyed

### WASH

- Main source of drinking water: Tube well/Borehole
- Percentage of IDPs who have enough drinking water: 100%
- Percentage of IDPs who have access to functioning bathing/shower facilities: 100%
- Percentage of IDPs living in areas where open defecation is visible: 0%
- Percentage of IDPs living in areas where garbage is visible: 0%
- Primary type of sanitation facilities: Pit latrine with slab

### Health

- Distance from the nearest health facility: More than 30 minutes
- Main reason preventing IDPs from accessing healthcare services: Discrimination
- Female healthcare workers available at the health facility: Yes

### Protection

- Is there security provided? Yes
- Is there a threat of eviction? No
- Is there adequate lighting in the majority of communal points? 25%
### Needs

- Percentage of households living in tents: 0%
- Top one NFI need not accessible to IDPs: Cooking items (pots/pans)
- Top two NFI need not accessible to IDPs: Items for sleeping (mats, blankets,..)
- Top three NFI need not accessible to IDPs: Mosquito nets

### Food

- Percentage of Households who had less than 3 meals per day in the past week: 0%
- Reason why most people cannot buy what they need at the market: Do not have enough money/Prices are too high

### Education

- Percentage of IDP children (3 - 5 years old) attending school: 75%
- Percentage of IDP children (6 - 12 years old) attending school: 100%
- Percentage of IDP children (13 - 17 years old) attending school: 100%

### Return

- What is preventing the largest IDP group from returning home: House damaged/destroyed

### WASH

- Main source of drinking water: Tube well/Borehole
- Percentage of IDPs who have enough drinking water: 100%
- Percentage of IDPs who have access to functioning bathing/shower facilities: 0%
- Percentage of IDPs living in areas where open defecation is visible: 0%
- Percentage of IDPs living in areas where garbage is visible: 25%
- Primary type of sanitation facilities: Pit latrine with slab

### Health

- Distance from the nearest health facility: More than 30 minutes
- Main reason preventing IDPs from accessing healthcare services: Nothing is preventing people
- Female healthcare workers available at the health facility: Yes

### Protection

- Is there security provided? Yes
- Is there a threat of eviction? Yes
- Is there adequate lighting in the majority of communal points? 0%

### NEEDS

First most urgent need: Food
Second most urgent need: House utilities
Third most urgent need: Shelter

### VULNERABILITIES

- Number of pregnant women: 60
- Number of breastfeeding mothers: 0
- Number of persons with physical disabilities: 9
- Number of persons with mental disabilities: 6

### SHELTER

- Percentage of households living outside: 25%
- Percentage of households living in tents: 0%
- Percentage of households living in permanent shelters: 50%
- Top one NFI need not accessible to IDPs: Cooking items (pots/pans)
- Top two NFI need not accessible to IDPs: Items for sleeping (mats, blankets,...)
- Top three NFI need not accessible to IDPs: Soap/detergent for washing clothes

### FOOD

- Percentage of Households who had less than 3 meals per day in the past week: 25%
- How people get access to the market? Walking
- Can people buy what they need at the market? Not most people
- Reason why most people cannot buy what they need at the market: Do not have enough money/Prices are too high

### EDUCATION

- Percentage of IDP children(3 - 5 years old) attending school: 0%
- Percentage of IDP children(6 - 12 years old) attending school: 100%
- Percentage of IDP children(13 - 17 years old) attending school: 100%

### PROTECTION

- Is there security provided? Yes
- Is there a threat of eviction? No
- Is there adequate lighting in the majority of communal points? 50%

### PROTECTION

- Is there a Site Management Committee at the site? None
- Is the Site Management Committee made up of community members? None
- What type of organization is managing the site? None
- Is there a Site Management Agency at the site? No
- Is there a service provider contact list? None

- **Site type:** School
- **Date site opened:** 2019-03-26
- **Expected period of displacement:** More than 3 months
- **District (site Location):** Phalombe
- **Is the site easily accessible?** Yes
- **Is the site safe and secure?** Yes
- **Traditional Area (site location):** Ta Jenala

### Needs
- **First most urgent need:** Food
- **Second most urgent need:** Shelter
- **Third most urgent need:** House utilities

### Vulnerabilities
- **Number of pregnant women:** 165
- **Number of breastfeeding mothers:** 333
- **Number of persons with physical disabilities:** 1
- **Number of persons with mental disabilities:** 1
- **Number of persons with chronic diseases / serious medical conditions:** 1
- **Number of child-headed households:** 0
- **Number of elderly persons:** 1
- **Number of separated children:** 0
- **Number of orphaned children:** 0
- **Number of single-female-headed households:** 0
- **Number of single-male-headed households:** 0

### Shelter
- **Percentage of households living outside:** 25%
- **Percentage of households living in tents:** 75%
- **Percentage of households living in permanent shelters:** 0%
- **Top one NFI need not accessible to IDPs:** Mosquito nets
- **Top two NFI need not accessible to IDPs:** Shoes and clothes
- **Top three NFI need not accessible to IDPs:** Soap/detergent for washing clothes

### Food
- **Percentage of Households who had less than 3 meals per day in the past week:** 0%
- **Reason why most people cannot buy what they need at the market:** Walking
- **Reason why most people cannot buy what they need at the market:** Not most people
- **Reason why most people cannot buy what they need at the market:** Do not have enough money/Prices are too high

### WASH
- **Main source of drinking water:** Tube well/Borehole
- **Percentage of IDPs who have access to functioning bathing/shower facilities:** 75%
- **Percentage of IDPs living in areas where open defecation is visible:** 0%
- **Percentage of IDPs living in areas where garbage is visible:** 0%
- **Primary type of sanitation facilities:** Pit latrine without slab / open pit

### Education
- **Percentage of IDP children(3 - 5 years old) attending school:** 100%
- **Percentage of IDP children(6 - 12 years old) attending school:** 100%
- **Percentage of IDP children(13 - 17 years old) attending school:** 75%

### Return
- **What is preventing the largest IDP group from returning home:** House damaged/destroyed

### Additional Information
- **Site Location:** 35.62562, -15.5349

- Number of single-male-headed households: 3

### Shelter

- Percentage of households living outside: 25%
- Percentage of households living in tents: 0%
- Percentage of households living in permanent shelters: 75%
- Top one NFI need not accessible to IDPs: Cooking items (pots/pans)
- Top two NFI need not accessible to IDPs: Items for sleeping (mats, blankets,..)
- Top three NFI need not accessible to IDPs: Shoes and clothes

### Food

- Percentage of Households who had less than 3 meals per day in the past week: 100%
- How people get access to the market: Walking
- Can people buy what they need at the market? No
- Reason why most people cannot buy what they need at the market: Do not have enough money/Prices are too high

### WASH

- Main source of drinking water: Tube well/Borehole
- Percentage of IDPs who have enough drinking water: 100%
- Percentage of IDPs who have access to functioning bathing/shower facilities: 25%
- Percentage of IDPs living in areas where open defecation is visible: 0%
- Primary type of sanitation facilities: Pit latrine without slab / open pit

### Health

- Distance from the nearest health facility: More than 30 minutes
- Main reason preventing IDPs from accessing healthcare services: Cost/Money
- Female healthcare workers available at the health facility: Yes

### Education

- Percentage of IDP children(3 - 5 years old) attending school: 100%
- Percentage of IDP children(6 - 12 years old) attending school: 100%
- Percentage of IDP children(13 - 17years old) attending school: 100%

### Protection

- Is there security provided? Yes
- Is there a threat of eviction? Yes
- Is there adequate lighting in the majority of communal points? 0%
**NEEDS**

First most urgent need: Food
Second most urgent need: Blankets
Third most urgent need: Clothes

**VULNERABILITIES**

- Number of pregnant women: 12
- Number of breastfeeding mothers: 74
- Number of persons with physical disabilities: 7
- Number of persons with mental disabilities: 0
- Number of persons with chronic diseases / serious medical conditions: 6
- Number of child-headed households: 41
- Number of elderly persons: 7
- Number of separated children: 0
- Number of orphans: 11
- Number of single-female-headed households: 119
- Number of single-male-headed households: 2

**SHELTER**

- Percentage of households living outside: 75%
- Percentage of households living in tents: 0%
- Percentage of households living in permanent shelters: 0%
- Top one NFI need not accessible to IDPs: Cooking items (pots/pans)
- Top two NFI need not accessible to IDPs: Items for sleeping (mats, blankets,..)
- Top three NFI need not accessible to IDPs: Soap/detergent for washing clothes

**FOOD**

- Percentage of Households who had less than 3 meals per day in the past week: 50%
- How people get access to the market: Walking
- Can people buy what they need at the market: Yes
- Reason why most people cannot buy what they need at the market: N/A

**WASH**

- Main source of drinking water: Tube well/Borehole
- Percentage of IDPs who have enough drinking water: 75%
- Percentage of IDPs who have access to functioning bathing/shower facilities: 75%
- Percentage of IDPs living in areas where open defecation is visible: 0%
- Percentage of IDPs living in areas where garbage is visible: 0%
- Primary type of sanitation facilities: Pit latrine with slab

**HEALTH**

- Distance from the nearest health facility: More than 30 minutes
- Reason preventing the largest IDP group from returning home: More than 30 minutes

**EDUCATION**

- Percentage of IDP children (3 - 5 years old) attending school: 25%
- Percentage of IDP children (6 - 12 years old) attending school: 75%
- Percentage of IDP children (13 - 17 years old) attending school: 75%

**PROTECTION**

- Is there security provided? Yes
- Is there a threat of eviction? Yes
- Is there adequate lighting in the majority of communal points? 0%

**RETURN**

What is preventing the largest IDP group from returning home: House damaged/destroyed

### NEEDS

**First most urgent need:** Food

**Second most urgent need:** Kitchen utensils

**Third most urgent need:** Blanket

### VULNERABILITIES

- **Number of pregnant women:** 17
- **Number of breastfeeding mothers:** 129
- **Number of persons with physical disabilities:** 18
- **Number of persons with mental disabilities:** 0

- **Number of persons with chronic diseases / serious medical conditions:** 0
- **Number of child-headed households:** 0
- **Number of elderly persons:** 53
- **Number of separated children:** 0
- **Number of orphaned children:** 0
- **Number of single-female-headed households:** 185
- **Number of single-male-headed households:** 61

### SHELTER

- **Percentage of households living outside:** 75%
- **Percentage of households living in tents:** 0%
- **Percentage of households living in permanent shelters:** 25%

### FOOD

- **Percentage of Households who had less than 3 meals per day in the past week:** 75%

**Reason why most people cannot buy what they need at the market:**

- Walking
- Not most people
- Do not have enough money/Prices are too high

### EDUCATION

- **Percentage of IDP children(3 - 5 years old) attending school:** 75%
- **Percentage of IDP children(6 - 12 years old) attending school:** 50%
- **Percentage of IDP children(13 - 17 years old) attending school:** 75%

### RETURN

- **What is preventing the largest IDP group from returning home:** Basic infrastructures damaged/flooded

### PROTECTION

- **Is there security provided?:** No
- **Is there a threat of eviction?:** Yes
- **Is there adequate lighting in the majority of communal points?:** 25%

### WASH

- **Main source of drinking water:** Piped water to yard/Plot

- **Percentage of IDPs who have enough drinking water:** 75%
- **Percentage of IDPs who have access to functioning bathing/shower facilities:** 75%
- **Percentage of IDPs living in areas where open defection is visible:** 25%
- **Percentage of IDPs living in areas where garbage is visible:** 25%

**Primary type of sanitation facilities:** Pit latrine with slab

### HEALTH

- **Distance from the nearest health facility:** Up to 30 minutes

- **Main reason preventing IDPs from accessing healthcare services:** Nothing is preventing people

- **Female healthcare workers available at the health facility:** Yes

- Percentage of IDP children (3 - 5 years old) attending school: 25%  
- Percentage of IDP children (6 - 12 years old) attending school: 25%  
- Percentage of IDP children (13 - 17 years old) attending school: 25%

### RETURN

- What is preventing the largest IDP group from returning home? House damaged/destroyed

**Survey Date:** 2019-03-29  
**Site Information**  
**Site Location:** 34.8174, -16.0208  
**Site Information**

- Is there a Site Management Committee at the site? None  
- Is the Site Management Committee made up of community members? None  
- What type of organization is managing the site? None  
- Is there a Site Management Agency at the site? No  
- Is there a service provider contact list? None

### HEALTH

- Distance from the nearest health facility: More than 30 minutes  
- Main reason preventing IDPs from accessing healthcare services: No medicines available in healthcare center  
- Female healthcare workers available at the health facility: Yes

### PROTECTION

- Is there security provided? No  
- Is there a threat of eviction? Yes  
- Is there adequate lighting in the majority of communal points? 25%
Survey Date: 2019-04-25  
Site ID: CH_002  
Site type: Church  
Date site opened: 2019-03-07  
Expected period of displacement: More than 3 months  
District (site Location): Chikwawa  
Is the site easily accessible? Yes  
Is the site safe and secure? Yes  
Traditional Area (site location): Ta Lundu
