#### NEED

- **First most urgent need:** Food
- **Second most urgent need:** Water
- **Third most urgent need:** NFIs

#### SHELTER

- **Top one NFI need not accessible to IDPs:** Shoes and clothes
- **Top two NFI need not accessible to IDPs:** Items for sleeping (mats, blankets,...)
- **Top three NFI need not accessible to IDPs:** Hygiene products (for personal hygiene)
- **Households without a shelter:** Nobody (around 0%)
- **Households living in tents/makeshift shelters:** Everyone (around 100%)
- **Households living in permanent shelters:** Nobody (around 0%)

#### FOOD

- **Percentage of Households who had less than 3 meals per day in the past week:** About half (around 50%)
- **How people get access to the market:** Walking
- **Can people buy what they need at the market?:** Not most people
- **Reason why most people cannot buy what they need at the market:** Do not have enough money/Prices are too high

#### EDUCATION

- **Percentage of IDP children(3 - 5 years old) attending school:** Nobody (around 0%)
- **Percentage of IDP children(6 - 12 years old) attending school:** Nobody (around 0%)
- **Percentage of IDP children(13 - 17 years old) attending school:** Nobody (around 0%)

#### WASH

- **Main source of drinking water:** Tanks
- **Main problem with water:** None
- **Is there separated latrines?:** No
- **Is there separated public shower?:** No
- **Are there hand washing stations with water and soap close to latrines/bathrooms?:** None
- **How clean you think the site is in terms of waste?:** More or less clean
- **Have hygiene promotion sessions been conducted?:** Yes, but without water / soap

#### HEALTH

- **Distance from the nearest health facility:** More than 30 minutes
- **Main reason preventing IDPs from accessing healthcare services:** There are no reachable health services
- **Female healthcare workers available at the health facility:** No
- **Where do women give birth?:** At home
- **Main problem with water:** None
- **Are most women seeing a health professional during their pregnancy?:** Don't Know
- **Patients with HIV know where to go to seek treatment and care?:** No
- **Patients with Tuberculosis know where to go to seek treatment and care?:** No

#### PROTECTION

- **Is there security provided?:** No
- **Is there a threat of eviction?:** No
- **Is there a mechanism for referral for GBV survivors?:** None (around 0%)

**Site Status:** Open

**Site Location:** -19.289014, 34.186573

**Households:** 163

**Individuals:** 815

### First most urgent need:
- Food

### Second most urgent need:
- Water

### Third most urgent need:
- Clothes

### NEED

#### SHELTER

- Top one NFI need not accessible to IDPs: Mosquito nets
- Top two NFI need not accessible to IDPs: Items for sleeping (mats, blankets,...)
- Top three NFI need not accessible to IDPs: None

#### FOOD

- Percentage of Households who had less than 3 meals per day in the past week: A few (around 25%)
- How people get access to the market: Walking
- Can people buy what they need at the market? Yes
- Reason why most people cannot buy what they need at the market: N/A

#### WASH

- Main source of drinking water: Tanks
- Main problem with water: Not enough water
  - Is there separated latrines? No
  - Is there separated public shower? No
  - Are there hand washing stations with water and soap close to latrines/bathrooms? No answer
  - How clean you think the site is in terms of waste? Clean
  - Have hygiene promotion sessions been conducted? No answer

### HEALTH

- Distance from the nearest health facility: There is no reachable health facility
- Main reason preventing IDPs from accessing healthcare services:
  - Patients with Tuberculosis know where to go to seek treatment and care? Yes
  - Patients with HIV know where to go to seek treatment and care? Yes
  - Where do women give birth? At health facility
  - Are most women seeing a health professional during their pregnancy? Yes

### EDUCATION

- Percentage of IDP children(3 - 5 years old) attending school: A few (around 25%)
- Percentage of IDP children(6 - 12 years old) attending school: About half (around 50%)
- Percentage of IDP children(13 - 17 years old) attending school: Everyone (around 100%)

### PROTECTION

- Is there security provided? No
- Is there a threat of eviction? Yes

### RETURN

- Goods or Services Provided at resettlement sites: Food
- Host Community informed about population: Yes
- Are majority of people planning to stay at site: Yes
