

Survey Date: 2019-05-04

Site Location: -19.945619 , 33.366333

Site Information	
Site Classification:	Resettlement (new)
Site type:	Open Air Site
Site Opening Date:	15-Apr-19
Province:	Manica
District:	Sussundenga
Administrative Post (site location):	Dombe
Is the site safe and secure?	Yes
Is there a Site Management Committee at the site?	No
Is there a Site Management Agency at the site?	Yes
Name of Site Management Agency	Deutch Red Cross
Is there a service provider contact list?	No
Is the site easily accessible?	Yes
Site Status:	Open

301
Households

1,732
Individuals

The information included in this report was collected from 2019-05-03 to 2019-05-04. To access information on IDP population in displacements sites as of today, kindly consult IOM Displacement Movement Tracking - Daily Update [Click here](#)

NEED

First most urgent need:	Food
Second most urgent need:	Water
Third most urgent need:	NFIs

SHELTER

Top one NFI need not accessible to IDPs:	Shoes and clothes
Top two NFI need not accessible to IDPs:	Items for sleeping (mats, blankets,..)
Top three NFI need not accessible to IDPs:	Hygiene products (for personal hygiene)
Households without a Shelter	Nobody (around 0%)
Households living in tents/makeshift shelters	Everyone (around 100%)
Households living in permanent shelters	Nobody (around 0%)

FOOD

Percentage of Households who had less than 3 meals per day in the past week:	About half (around 50%)
How people get access to the market?	Walking
Can people buy what they need at the market?	Not most people
Reason why most people cannot buy what they need at the market:	Do not have enough money/Prices are too high

EDUCATION

Percentage of IDP children(3 - 5 years old) attending school:	Nobody (around 0%)
Percentage of IDP children(6 - 12 years old) attending school:	Nobody (around 0%)
Percentage of IDP children(13 - 17 years old) attending school:	Nobody (around 0%)

RETURN

Goods or Services Provided at resettlement sites:	NFIs
Host Community informed about population:	Yes
Are majority of people planning to stay at site:	No

WASH

Main source of drinking water:	Tanks
Main problem with water:	None
Is there separated latrines?	No
Is there separated public shower?	No
Are there hand washing stations with water and soap close to latrines/bathrooms?	None
How clean you think the site is in terms of waste?	More or less clean
Have hygiene promotion sessions been conducted?	Yes, but without water / soap

HEALTH

Distance from the nearest health facility:	More than 30 minutes
Main reason preventing IDPs from accessing healthcare services:	There are no reachable health services
Female healthcare workers available at the health facility:	No
Where do women give birth?	At home
Are most women seeing a health professional during their pregnancy?	Don't Know
Patients with HIV know where to go to seek treatment and care?	No
Patients with Tuberculosis know where to go to seek treatment and care?	No

PROTECTION

Is there security provided?	No
Is there a threat of eviction?	No
Is there adequate lighting in the majority of communal points?	None (around 0%)
Is there a mechanism for referral for GBV survivors?	No
Is there in the site separated Latrines for males and females?	None (around 0%)
Is there bathing facilities in the site with functioning locks on the inside of doors?	None (around 0%)
Are there tensions with the host community	No
