### Movements timeline (filter this page)

● INCOMING ● OUTGOING

### Definitions

**Incoming movements:** when the self declared intended destination is Somalia. Internal movements (when Somalia is the departure and the destination country) are included in incoming flows.

**Outgoing movements:** when the self declared intended destination is not Somalia. Transitory movements (when Somalia is neither the departure country, nor the destination country) are included in outgoing flows.

**Total observed movements:** incoming + outgoing movements.
